Tween and Teen Programming

Need more ideas for this audience? Lisa Kropp will share tried and tested ideas with us. Hands-On activities will ensure that all attendees will leave with program plans and activities to use immediately in their library!

Looking for trending and new ideas in programs and space design for tween and teen services? Are you interested in learning how to engage tween library users more using social media and advisory boards? Sign up for an interactive day of discussion and lecture intertwined with Lisa G. Kropp from Lindenhurst Memorial Library. Hear highlights from her 2016 ALA Program InBeTween, and bring your own thoughts and ideas to discuss regarding local use by tweens in your library community.

Bio:

Lisa G. Kropp is the Assistant Director of the Lindenhurst Memorial Library, which recently underwent a tween/teen renovation, and is currently exploring a community planning project regarding library usage and growth. She is a forever youth services librarian, and has specialty knowledge in early learning and youth based services. She writes the bi-monthly First Steps column for School Library Journal, and is the current co-chair of ALSCs Liaisons for National Organizations committee.
